Case No. 2:17-cv-01731-RFB-NJK

ORDER DENYING MOTION TO
EXTEND DISCOVERY STAY

(Docket No. 14)

17 Pending before the Court is the parties' stipulated discovery plan and scheduling order requesting
18 special scheduling. Docket No. 14. The presumptive discovery cut-off deadline is 180 days after the
19 Defendant's first appearance, unless the parties state reasons why longer or different time periods should
20 apply. Local Rule 26-1. In this case, the parties have set September 8, 2017 as the starting date to
21 calculate the discovery cut-off deadline. Docket No. 14 at 2. The parties submit that, during the time
22 period after the meet and confer on August 17, 2017, they were preparing their joint discovery plan and
23 discussing protective orders. *Id.* at 5. The Court finds this reason insufficient for an extended discovery
24 period, particularly considering that the parties have failed to account for the time period between July
25 20, 2017, and August 17, 2017.
